Dr. H.C. Burleigh,
Bath, Ontario.

Dear Dr. Burleigh:

I am enclosing a copy of a letter received from Mr. J. Wesley Taylor, Sr., together with a copy of my reply.

I do hope you do not mind being bothered this way, but I really felt you would know about the Dainard family if anyone would.

You may remember I suggested at a meeting some time ago that the Quinte Branch of the U.E.L. Association should establish a schedule of fees for re-searching and providing answers to letters like Mr. Taylor's. I still think it was a good idea.

With kindest regards to yourself and Mrs. Burleigh.

Yours sincerely,

Beryl W. Way,
Executive Assistant.

Dear Sir:

I am writing to find if you have records of individual Loyalist families. I am interested in any information I can obtain about the families of Jacob Dainard and his son Samuel Dainard. Jacob Dainard and his family moved to South Bay, near Picton, Ontario near the breaking out of the war of independence. As United Empire Loyalist, Jacob Dainard received a grant of land from the crown and settled at South Bay. In some places the name Dainard is spelled Dainhirted.

The above is what information I have about Jacob Dainard.

If you do not have any information perhaps you might know of someone who does or where I might obtain publications about the United Empire Loyalists that would possibly help me.

Thank you.

Dear Sir:

I am sorry to tell you that we do not have much documentary material here regarding individual Loyalist families - excepting those whose homes have been included in our Upper Canada Village restoration project. Also, the pressure of the work on this project, which is to be opened officially next June 24th, makes it impossible for us to undertake anything but our own essential research at this time.

I have, however, forwarded a copy of your letter to Dr. H.C. Burleigh of Bath, Ontario. Dr. Burleigh is an official of the United Empire Loyalist Association and has done a great deal of research on Loyalist settlement in the Bay of Quinte region. If anyone can supply you with information regarding Jacob Dainard, it would be Dr. Burleigh I am sure.

Yours sincerely,

BW/jd

Dear sir:

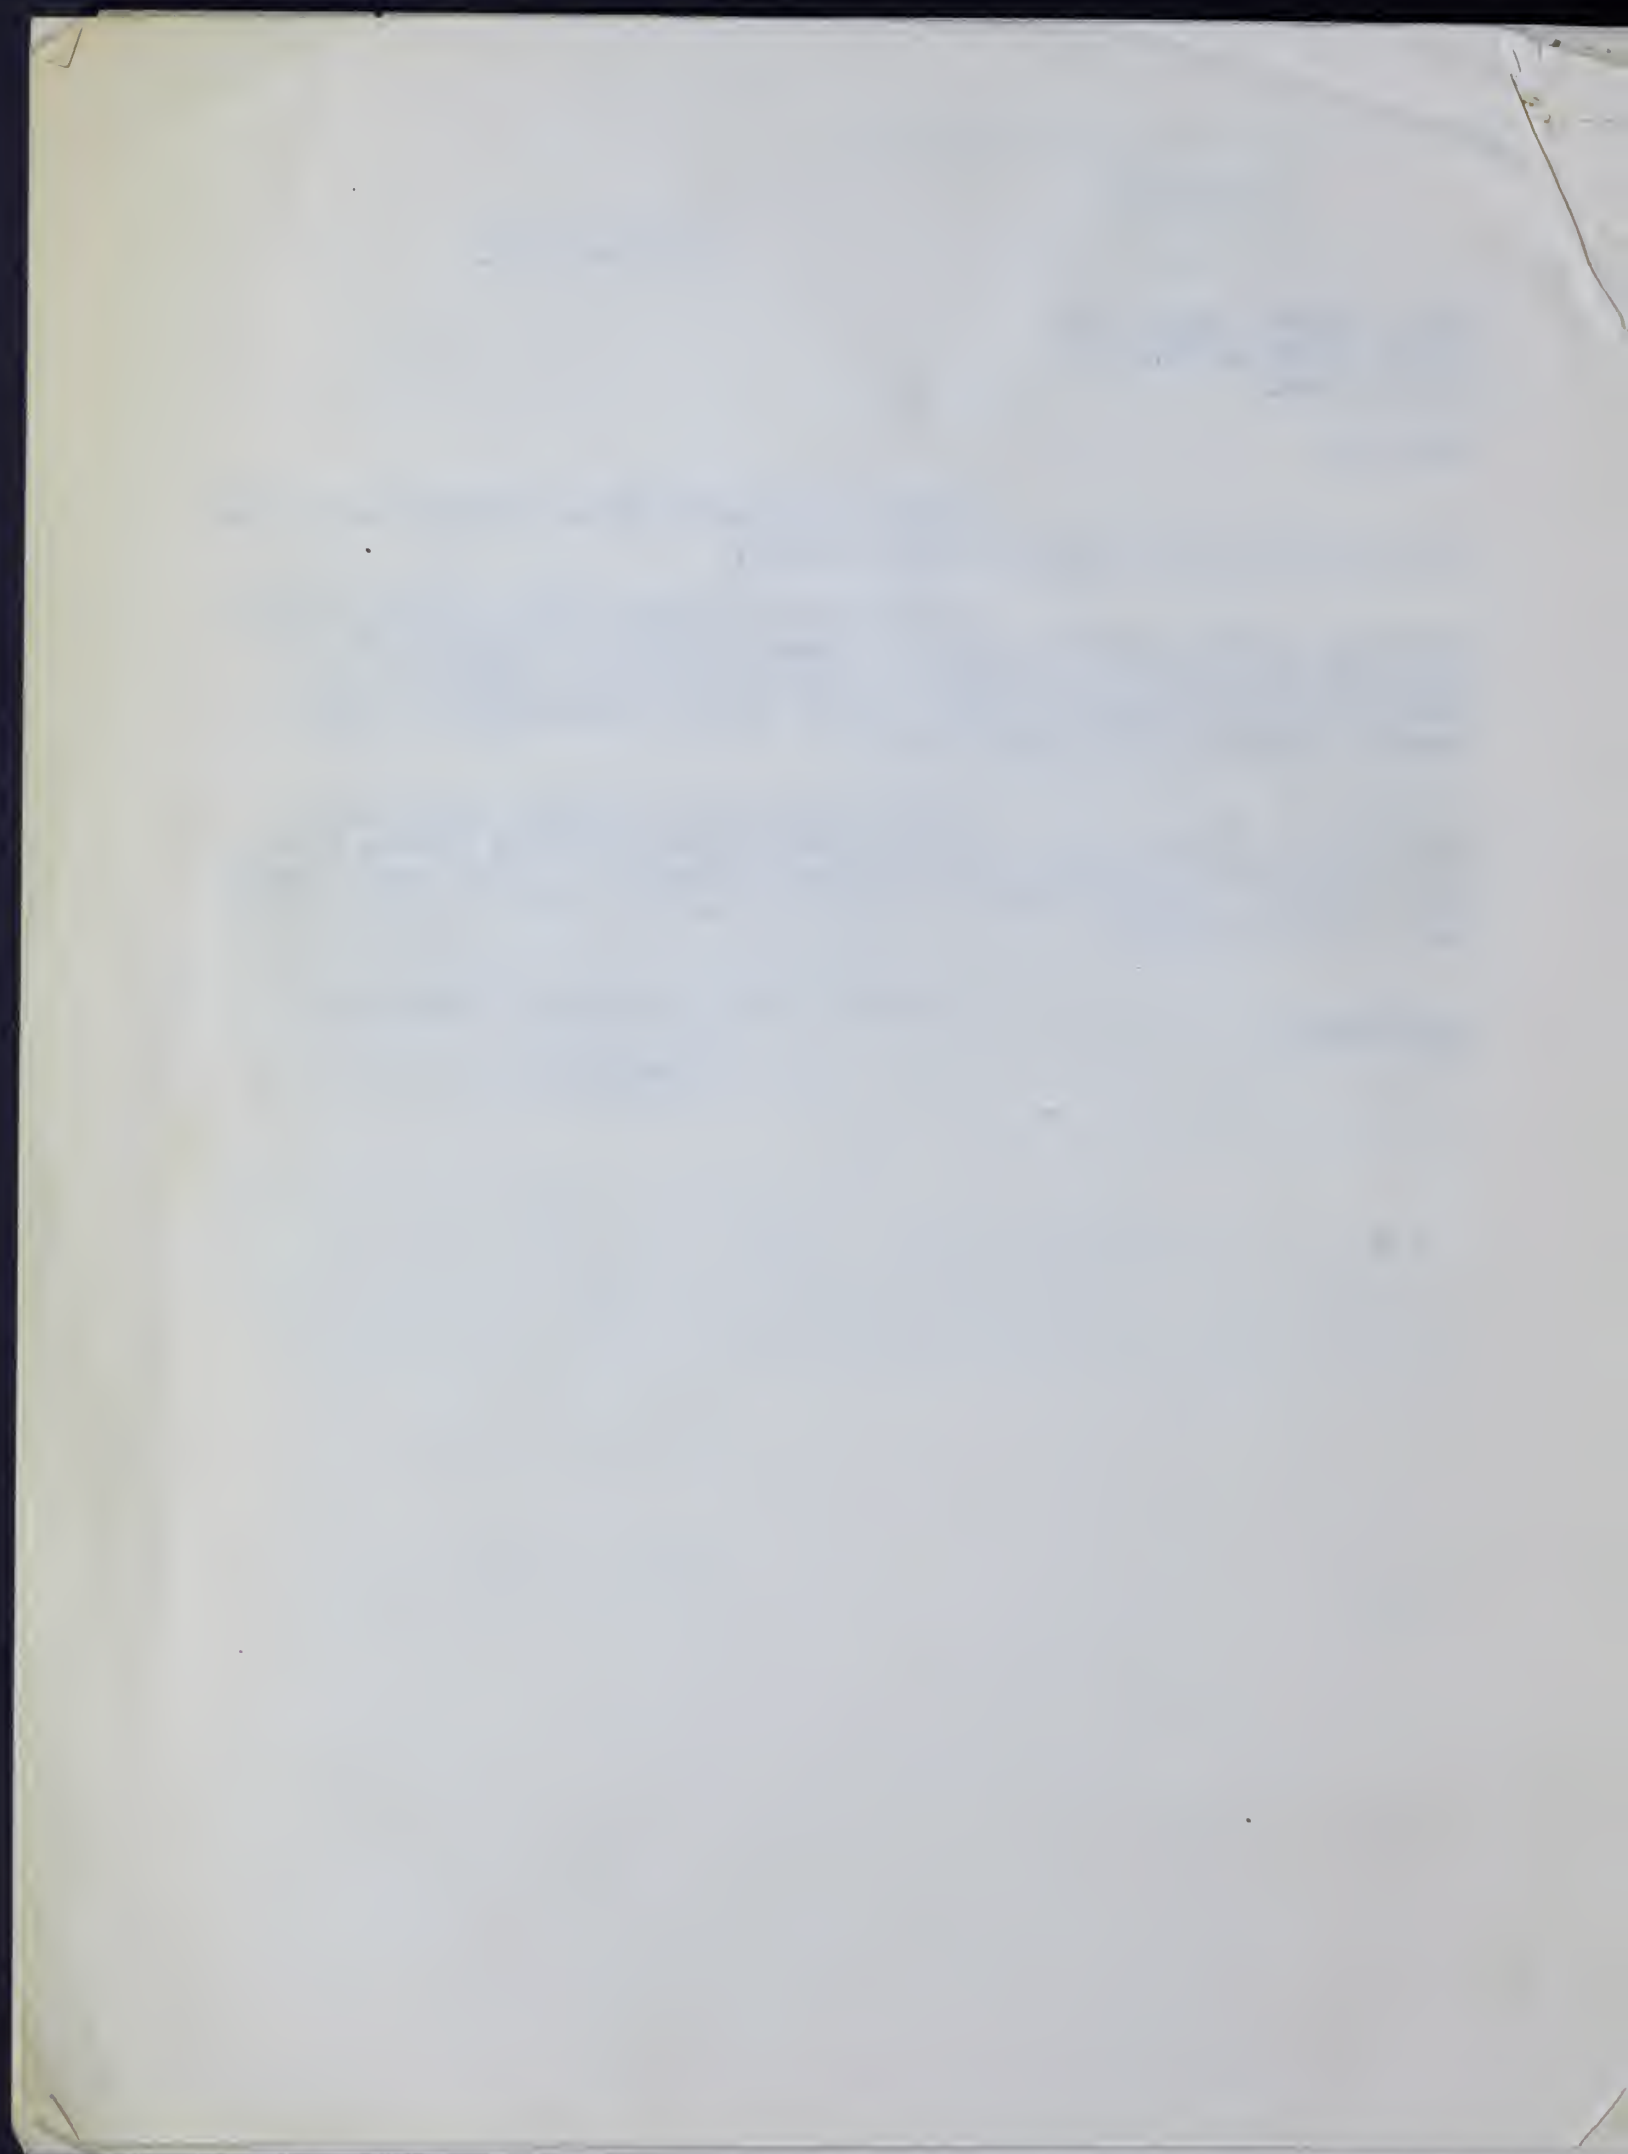

This is a belated reply to a letter sent by you
to the Director, Upper Canada Village, Canada.

A review of the official list of United Empire
Loyalists fails to discover any person named Dainard, or Dainhird. To be
officially known as a U. E. Loyalist a person had to have joined the Royal
Standard before the Peace in 1783, as well to have been resident in Upper
Canada (Ontario) before October, 1796.

I know little of the Dainard Family beyond
what is to be found on page 293 of Pioneer Life on the Bay of Quinte. I once
met a man of that name who lived at Milford, Ontario, in Prince Edward County.
Unfortunately, I cannot remember his given name. There must be persons of that
name still at Milford.

I am sorry that I am unable to furnish more
information.

Sincerely,
